Further details of both visits will be published nearer the time.

COLOUR SHOWS AND JUDGING COMPETITION

There will again be a

NEW SHOW CAGE

to be won at the end of the year for the winners of both of these competitions.

Please take part

Remember **Colour Shows** are scored on points accumulated and every bird you put in scores points so the more birds you put in the more points you score. You are allowed to enter 4 birds in each colour class so if you put 4 birds in a particular colour you will score at least 10 points even if your birds are the last 4!

The **Judging Competition** is based on your average score for the year and lowest (i.e.nearest to the guest judges) wins. Don't be afraid to

HAVE A GO!

The competition has been won by beginners and novices in the past so it can be done again. No-one only Geoff actually sees the results sheets so there is no need to be worried about making a hash of it and if you need any guidance as to how the guest judge has placed the birds on the night don't be afraid to ask.
